Cabernet Sauvignon

ALCOHOL		14.5%
CASES		2485 CASES
pH		3.62
TA		5.75 g/L
OAK REGIMEN		FRENCH OAK
WINEMAKER		RICHARD SHELTON

WINEMAKING NOTES

Showcasing a dark garnet color in the glass, our Cabernet Sauvignon boasts alluring amounts of brambly fruit, savory spice and toasted oak on the nose. On the palate, rich flavors of plums and blackberries lead to a pleasant hint of vanilla and spice. A supple mouthfeel and velvety tannins add to the wine's elegant appeal, while its lingering silky texture leaves a lasting impression.

METHOD OF PRODUCTION

The fruit was night harvested and crushed, 100% destemmed, within hours to maintain quality. The must was cold soaked for 24 hours to produce better color, aromatics, flavor and tannin extraction. Fermented within weeks with BDX and D254 yeast. Aged on French Oak for 6 months.

ACCOLADES

95 Points • Just Wine Points
